

Dear Colleague,

Greetings,

Hope this email finds you well.

With immense pleasure, the organizing conference committee of Faculty of Science – Ain Shams University is inviting you as a Plenary Speaker to benefit from your outstanding experience in the **Third International Scientific Conference "Science for life'19"** from **November 12-15, 2019** at **Hurghada, Egypt**.

We believe that your participation will add a remarkable impact to the conference. It is worth mentioning that, articles will be published in **peer-reviewed local and international journals** (as in, <https://ejabf.journals.ekb.eg/> and <http://www.eurchembull.com/index.php/ECB>). Moreover, the **best article and poster will be awarded**.

Listed below the main 11 tracks:

1. Applications of Nanoscience in the Service of Mankind.
2. Biocatalysis and Biotransformation.
3. Environmental Integrity and Control of Environmental Pollutants.
4. Fossil Fuels and Renewable Energy.
5. Green Chemistry and sustainability.
6. Mathematics and computer science.
7. Metabolomics: Applications and Techniques.
8. Molecular Genetics
9. Remote Sensing and Environmental Development
10. Sensors and Biosensors.
11. Sustainable Development

As a Limited Period Offer, you can avail registration at a nominal fee of **2000 L.E "instead of 2350"** for participation with talk until **November 5, 2019**. Registration fees are payable at the Faculty of Science – Ain Shams University.

As the conference is fast approaching, we would be very glad to hear your interest in participation very soon. We also seek your support in dissemination this information among your colleagues, friends, and research scholars and encouraging them to participate in the conference. We will be pleased to **receive your confirmation** in attending with a speech proposal (title and abstract) as soon as possible at this email:

dr_Kariemsoliman@yahoo.com.

If any other details are needed, please feel free to email me without hesitation.

looking forward to seeing you there.

Regards
